TESTIMONIAL

I, Mukesh B Bajaj, Director, M/s. Bajaj Habitat Private Limited, Builders & Developers at Khopoli & Lonavla Hill Station, wish to endorse the Organization of one of our very own vibrant captivators, Mr. Mohanjeet Singh Saigal fondly known as MJ of M/s. New Mumbai Realty.

I have hired the real estate services of his very well deserved proficient marketing team and have fruitfully clinched the business transactions to the tune of Rupees Sixty-seven Lac with him. During the course of the services that MJhas offered, I discovered that his entire team is not only qualified, well trained and skilled in their profession but the follow up with the clients too is very enthusiastic. We, as Builders in this field, have come across hundreds of broking firms during our career spanning over twenty-seven years, but we are very proud to substantiate that our cherished friend, MJ is enriched with the unique proficiencies of market intelligence and back office management. New Mumbai Realty is bestowed with International license to deal globally and has also been religiously following the universal code of characteristic ethics.

I virtuously recommend all of my exceptional friends to acknowledge his untiring, well-timed and qualitative services that he and his entire team of specialists offer. Mohanjeet Singh is truly focused and fond of maintaining the relations, business or personal, meticulously. *O Tussi Chha Gae Guru, Balle Balle.*

Warm Regards from Hamara Bajaj, Dil Se.
