## TO WHOM SO EVER IT MAY CONCERN

I, Myself **Ar. Nafees Khan**, principal architect and founder of **Progressive Architects Planners and Engineers**, a complete boutique of consulting services under one roof from planning, designing and Laisoning of statutory approvals for all type of buildings, mainly in **CIDCO, NAINA, MIDC and MSRDC regions**.

I know Mr. Mohanjeet Singh, founder of New Mumbai Realty from about past two years now and I have associated with him on couple of projects. He's having excellent experience in sale, purchase and leasing of **commercial and industrial properties**. In my knowledge, he has also won '**The most innovative realtor**' award from **Franchise India**, Three times in a row now; which speaks about his mark, knowledge and authority in his field.

I would like to specially mention that irrespective of size of units or amount of sales, they strive to give their best shot for each and every assignment. **Mr Mohanjeet Singh**, along with his team member **Miss. Deepika Kaur**, assisted one of our client to give them the best suited place they were looking for within their budget.

We recommend any industrialist or commercial property owner/ buyer to fully rely on services **New Mumbai Realty** provides and **have safe, secure and hassle free transaction**.

I wish **Mr. Mohanjeet Singh** and his company **New Mumbai Realty**, many more laurels to win & feathers to add. My best regards and wishes,

  
Ar. Nafees Khan,

For Progressive Architects Planners and Engineers.
